

Objective: We're going to research NJ inventors.

Our state of New Jersey has been home to many amazing inventors! You'll be surprised to find out that some of the items you use each day were invented by people who lived in New Jersey.

Do any of these names sound familiar?

Les Paul

Abram Spanel

Bessie Blount

Earle Dickson

John Stevens

Roy Plunkett

Charles Brooks

Lillian Gilbreth

Alice Parker

Dr. John Thompson -Dorrance

Alfred Fielding & Marc Chavannes

They're all inventors from New Jersey!
Are you wondering what each person invented?

Choose an inventor, and begin your research.
